SHOOTING STAR

Ingredients:

50ml Napoleon French brandy
20ml fresh lemon juice
30ml fresh egg white
17.5ml sugar syrup
25ml fresh orange juice
Edible glitter stars for decoration

Method

Mix all of the liquid ingredients together in a cocktail shaker, and shake without ice. Then, add ice cubes to the liquid and shake again. Take a short glass, and pour your mixture through a cocktail lid and a sieve for a double strained effect.
Top your cocktail with decorative edible stars and serve!
